Richmond Area Chapter - Military Officers Association of America - January 2026

## The President's Corner by LCDR Wayne Sine

As we begin the new year, I want to thank COL Vince Cammarata for TWICE serving as President of our Chapter. Vince has been an inspiring leader of our Chapter, and he capped off his Presidency with the recent Gala at the Grapevine Restaurant (photos on page 4), where we all enjoyed good food and a good time. As we enter the new year with a newly elected board, I'd like to thank departing members, LTC Craig Pinsker (Second Vice President), CAPT Hardy Josephson (Transition Services), CDR Cliff Noe (Director at Large), and Rosemay Salcedo (Surviving Spouse Chair) for their service to our Chapter. In addition, I'd like to thank those Board members who have agreed to continue in their current roles for the next two years. I'd also like to welcome our newest Board member, COL Tony Atlas, who has agreed to fill the JROTC role for our Chapter. MAJ John Nahm, in addition to being the new Vice President, has agreed to continue as

our webmaster and take on the new role of Membership Co-Chair with Captain Mary Lou Wassel. Mary Lou has faithfully filled this role for many years, but with her new role as President of the MOAA Virginia Council of Chapters, she needed assistance with performing this role. Mary Lou, thank you for your years of service in this role and to John Nahm for stepping up.

Our Chapter has several roles that still need to be filled in the coming months. Those roles include Legislative Chair, Surviving Spouse Chair, and Personal Affairs Chair. We need to identify members who are willing to transition into these roles. If you have an interest in helping with Membership, MOAA's legislative initiatives, Surviving Spouse issues, or Personal Affairs issues, we can provide training for each of these important and rewarding roles. Contact me for further information about what is involved in these positions.

Lastly, we'd like your input on Speakers, Topics and Venues you'd like for the next two years. Please offer your suggestions or requests to me or any member of our board. Our incoming Board looks forward to serving you, our members.

# February 1st Member Luncheon Meeting

On Sunday, 1 February 2026, the RAC-MOAA Chapter will host a member meeting, luncheon, and memorial service at the Virginia War Memorial, 621 S Belvidere St, Richmond, VA 23220-6504. The luncheon and presentation are scheduled for 1 to 3 PM. Free covered parking is available in the attached garage with elevator accessibility. Lunch, catered by Panera, will include a variety of salads, fruit, assorted sandwiches, and desserts, along with coffee, tea and lemonade.

Our featured guest speaker will be Mark Casper, CEO of Tech for Troops (T4T). T4T's Mission is dedicated to empowering Veterans with computers, skills, and Information Technology (IT) work force training. While located in Richmond, Tech For Troops has national reach. Mark knows that working computers can provide a new life to struggling Veterans rather than being discarded. The T4T Game Corps "Aiming For Zero" program has saved many lives in the last 2.5 years. In almost 11 years, T4T has responsibly reused or recycled 2 million tons of e-waste and this number is growing.

Mark, a Marine Corps Veteran, has been married for 39 years, is the father of two daughters and a proud "Grampy" to his granddaughters. Mark has found his workplace in life at Tech for Troops. Mark will provide an update on new and expanded activities at T4T since he last spoke with our Chapter a number of years ago. Mark is eager to share news about new outreaches to Veterans, thanks, in part, to our Chapter's recent \$500 donation to T4T from our Military Community Assistance Program (MCAP).

Following Mark's presentation, our annual Memorial Service will be held in honor of Chapter members who passed away during the 2025 calendar year. Chaplain Ken Ruppert will lead us in the Memorial Service.

Dress is business casual and all guests are welcome. [Payment can be made online at the RAC-MOAA website](#) using credit or debit card or by check mailed to PO Box 985, Chesterfield VA 23832-9998. If paying by check, please also send an email to [Treasurer@racmoaa.org](mailto:Treasurer@racmoaa.org) or phone 804-796-1113. The reservations deadline is 28 January 2026.

We look forward to seeing you there!

# 4 December 2025 Legislative Forum

On December 4, 2025, RAC-MOAA hosted its 18<sup>th</sup> Annual Legislative Forum. To accommodate the schedules of legislators, two sessions were held, one at 0730 and another at 1500. Each session included discussions of the five Legislative Initiatives developed by the Joint Leadership Council (JLC) of Veterans Service Organizations. This year, the Forum included participation by the "Point of Contact" (POC) assigned to each Initiative as well as the invited Legislators who represent them. As the experts on each Legislative Initiative, the POCs were well prepared to provide in-depth explanations of their Initiative and to answer all questions raised by participating Virginia Legislators. The five Legislative Initiatives discussed during the Forum included: Stop Unscrupulous Firms from Exploiting Veterans; Veteran Suicide Death Information Access Veteran Textbook Support Grant; Exempt Veterans Service Organizations (VSOs) from Limits on Use of Proceeds from Charitable Gaming; Inclusion of USPHS and NOAA in Income Tax Subtraction.

Detailed descriptions for each Legislative Initiative can be found at the following website: <https://www.dvs.virginia.gov/about-us/boards-foundations/joint-leadership-council-of-veterans-service-organizations>. The JLC initiatives can be found near the bottom of the webpage under **JLC 2026 Initiatives**.

## Holiday Gala Photos

## 19 November Presentation to Tech For Troops

This picture was taken on November 19th during the RAC-MOAA November Board Meeting held at Tech for Troops. The picture shows our chapter donating a \$500 check (from RAC-MOAA's "Military Community Assistance Program") to Tech for Troops. Pictured from left to right, are: Wayne Sine, Curt Powell, Craig Pinsker, Hardy Josephson, Jennie Nienaber (office manager at Tech for Troops), Darryl Crewe (key team member at Tech for Troops), Owen Waltman, Mark Rich and John Nahm. This was RAC-MOAA's first in-person Board meeting in several years. The meeting was also attended virtually, via Zoom, by Board members who could not attend in-person. The facilities at Tech for Troops were ideal for the hybrid meeting (held both in-person and virtually).

# Veteran & Military Year-Round Discounts

The U.S. Department of Veterans Affairs has compiled a [list of Veteran & military year-round discounts](#). The sharing of any non-VA information does not constitute an endorsement of products and services on the part of the VA. Verify information with the provider when you are interested in using the discount to insure that the information is current.

Researching Veteran discounts often means dodging outdated information, misleading sites or even malware. The VA has created a reliable list: no fees, and fully vetted. They've got your six.

This list was created in 2021, but verified as of Dec. 12, 2025. Updates will follow as needed.

Here are the areas with discounts available to Veterans that you can find at:

## Cost of Living Adjustments are Finalized

The 2026 Veterans disability compensation rates are in! Starting Jan. 1, 2026, all compensation benefit rates have been increased by 2.8% to match adjustments made to Social Security benefits. This increase impacts [disability benefits, clothing allowance, dependency and indemnity compensation \(DIC\), as well as other assistance programs](#) provided by the VA.

For more information and how to compute your disability pay, [click here](#).

All military and civilian government benefits to include Social Security, military pay, retirement pay, civil service pay and retirement are also increased by 2.8%. Unfortunately, Medicare Part B premiums also increase so the pay will not show the entire 2.8% increase as some of the increase is lost to increase medical insurance for Medicare. All of these payments were in effect for the 1 January 2026 paychecks so payments received this month should show the increase in pay.
